### Business Directory Application

Ouzinkie Native Corporation is developing a Shareholder owned business and service directory to help promote shareholder owned businesses and services by encouraging its shareholders as well as ONC, Katmai vendors, business partners and staff to utilize shareholder owned business and services.

Businesses that are owned or partially owned by ONC shareholders, their spouses or children of shareholders qualify for listing in the directory. Also, ONC shareholders, their spouses or children of shareholders that are primary providers of a service (e.g. Crafts, pet care etc.) but do not hold a state issued business license are qualified for inclusion in the directory.
